

Virtual Conference 2020

Clinical ▪ Coding ▪ Compliance

May 18-20, 2020

AAMAS 2020 Speaker Laurie Laxton, RN, BSN, CCFA, RAC-CT, IP-BC

Wednesday, May 20
12:45-2:00 PM

Laurie is a Bachelors prepared RN, who trained and worked in Orthopedic Trauma Surgery at UCLA for over 10 years. She is a Certified Clinical Financial Auditor with 5 years' experience auditing both acute and post-acute care settings. She is also a Board certified Infection Preventionist. Laurie is a Senior clinical educator with responsibilities that include developing content and training Skilled Nursing Facility and Home Health Agency personnel, helping them understand data analytical software surrounding their assessment accuracy, quality measures, reimbursement, and infection prevention, control and antibiotic stewardship programs.

Brief outline of session:

High level overview of the Prospective Payment Systems for Skilled Nursing Facilities and Home Health agencies with highlights on areas targeted for audit and how various firms conduct audits of Managed Medicare patients.
