Wednesday, May 20  
2:15-4:00 PM

For more than 30 years, Cheryl Fehl has been serving the American Public Health as a licensed RN. Clinically, Cheryl worked extensively in Trauma & M/S, cardiac cath and ortho, as well as Post Anesthesia Care and Critical Care. While she remains a passionate patient advocate, Cheryl decided to move into more managerial and revenue cycle positions in an effort to more directly impact the scope and impact of the hospital and clinic as a whole. For nearly ten years now, she has operated as a senior denials appeals nurse and supervisor having regularly achieved 85%+ overturn rates.

Cheryl embodies the Managed Resources approach to clinical appeals in that she combines extensive clinical and non-clinical experience along with true passion for patients as exemplified by financial advocacy for the hospital and clinic. Additionally, Cheryl remains an active member of multiple trade organizations including her regional Medical Reserve Corps.
